Re: WC Docket No. 07-245; GN Docket 09-51

Dear Ms. Dortch,

On August 10, 2011 the DAS Forum, a membership section of PCIA—The Wireless Infrastructure Association, timely filed an opposition to the petition for reconsideration of the Coalition of Concerned Utilities in the above captioned dockets.<sup>1</sup> Due to an error during submission via the Commission's Electronic Comment Filing System, a copy of The DAS Forum's opposition that did not include the required table of contents per 47 C.F.R § 1.49 (b) was uploaded.

The DAS Forum now remedies that error with a revised opposition that conforms to the Commission's Rules of Practice and Procedure. The DAS Forum notes that no substantive changes have been made to its opposition. We respectfully request that the Commission accept this letter and revised opposition.

Sincerely,

Jonathan Campbell  
Government Affairs Counsel  
PCIA—The Wireless Infrastructure Association
